IBM Cloud services

Dashboard

The screenshot displays the IBM Cloud Dashboard in a web browser. The interface features a dark theme with a sidebar on the left containing navigation icons for various services like Cloud Foundry, Kubernetes, and Watson. The main content area is titled 'Dashboard' and includes a search bar and a 'Create resource' button. Below this, there's a 'For you' section with several cards: 'Build' (exploring tutorials), 'Set up your IBM Cloud account' (10 min), 'Pick your compute' (2 min), 'Build a web app with Watson Speech to Text' (15 min), 'Use Text to Speech' (2 min), and 'Use Knowledge Studio' (2 min). At the bottom, there are sections for 'User access' (manage users), 'News' (IBM Tech Now: November 7, 2022), and 'Planned maintenance' (view all). The Windows taskbar at the bottom shows the time as 20:05 on 08-11-2022.
